

ATTENDEE INTERACTIVE
CONFERENCE MANAGEMENT SOFTWARE

PCO TOOLBOX

NES is pleased to announce that it has been appointed as the exclusive Australian agent for Attendee Interactive's Conference Management Software. Best described as a PCO's toolbox, the system provides a modular approach to conference management automation.

Modules Include:

- e-Poster
- Speaker Module
- Abstracts Module
- Logistics Module
- CEU/CME Module
- Exhibits Module
- Registration
- Conference Website
- FastMatch

All modules can operate independently or be integrated to provide a complete solution. Additionally, in most cases, the modules are capable of working with existing in house systems so that you need only use the modules you require.

ABOUT ATTENDEE INTERACTIVE

Attendee Interactive - or "AI" - specializes in technology solutions for the meeting planning industry. We design software to make set up, management, and implementation of meetings and events easier and more efficient. We give our clients and their attendees, speakers, and exhibitors new ways to process, organize, and communicate online.

We pride ourselves in our customized, individual approach to the needs of each client. We help our clients to manage meetings ranging in size from 100 to 20,000 attendees. Attendee Interactive works hand-in-hand with our clients to understand their needs, and to meet or exceed their goals.

Over the years, Attendee Interactive has had the pleasure of working with the following companies and associations:

- American College of Surgeons
- American Diabetes Association
- American Pharmacists Association
- Cardiovascular Research Foundation
- Complete Conference Management
- Consumer Electronics Association
- National Parks Service
- Society of Interventional Radiology
- Microsoft

ABOUT NES

Established in 1984, NES Electronic Hire is dedicated to providing short term rental of the full array of audiovisual, computer and office communication equipment and specialist staff. Servicing the conference, exhibition and events market.

The NES commitment to customers is to provide a professional and reliable, 24 hour, seven days a week service not only to meet but exceed the demands of our customers. By supplying advice and installing the right equipment at all times, NES has developed an enviable reputation for integrity.

The addition of Attendee Interactive's Conference Management Software to our range of products and services allows us to provide a more extensive and uniquely integrated offering to the conference sector.

NES can help you with:

- Audiovisual Equipment
- Conference Equipment
- Conference Management Software
- Operations and Technical Support staff
- Plasma Walls
- Computers, Printers and Networking Equipment

NES is a member of The Melbourne Convention & Visitors Bureau (MCVB), The Exhibitions and Events Association of Australia (EEAA) and Meetings & Events Australia (MEA).
